

SHACK YAK!

We've had a great fall season so far, with good attendance! Thanks everyone, for coming to visit even when the weather is bad!

October had you carving pumpkins for Halloween – this was a HUGE success, with some really great, creative pumpkins going home to decorate your house!! Thanks to everyone who participated and for taking care of yourselves and each other when using the knives and scrapers!

November saw our FOOD FEAR FACTOR event! It was HILARIOUS watching you all try to swallow the “evil” foods we chose for their maximum gross-out factor! Also surprising was how many of you made it to the very end! Enjoy your prizes and watch for this event again! Next time with even GROSSER food, ‘cause you all seemed to have stomachs and taste buds of steel! Also, thanks to all who came out for the dance!

What's up for 2012? Here are the first two months of activities:

Join us on Valentine’s Day for Pizza! Just because we LOVE ya’!

Why do we have Leap Years? The earth takes 364 ¼ days to travel around the sun, so every four years, we have to add a day to the calendars to make the calendars and times work correctly! Pretty clever! If you are born on February 29, you only have a birthday every four years! BUMMER!

Shack Hours: Tuesday, Wednesday, Thursday, 7 pm to 9pm. It’s FREE ! We always have snacks and pop available –Pizza Pops, cookies, chips, candy – All just \$1 each with proceeds used to partially fund activities!
