GIBBONS NEWSLETTER

The latest programs and events for the Town of Gibbons

COUNCIL STATEMENT

Gibbons Town Council would like to express our concern regarding recent incidents involving inappropriate, threatening emails and conduct within our Community. This type of behaviour violates Policy PP 1-25 Workplace Harassment Policy and Procedure, specifically Section 4.1.9 – Using the Internet to harass, threaten or maliciously embarrass someone.

As elected representatives, we are committed to upholding the highest standards of professionalism and respect in all interactions. Inappropriate emails and conduct not only undermine the integrity of our community but also create a hostile environment that is detrimental to our shared goals of inclusivity and respect.

We want to make it unequivocally clear that such behaviour will not be tolerated or condoned in any circumstance. The RCMP have been notified of these threatening emails and going forward the Public will see signs placed in all Town of Gibbons Facilities reminding everyone that disrespectful behaviour will not be tolerated and should such behaviour be exhibited, individuals may be asked to leave or, in extreme circumstances, be banned from coming into any Town of Gibbons facility and may include reporting to the RCMP.

We would like to thank our residents for your attention in this matter. We look forward to working together to ensure that our community remains a community "Rooted In Family" and a safe, respectful place for all.

Thank you,
Council
The Town of Gibbons
